### CARITAS CANADA

Discover Development and Peace — Caritas Canada's Stand for the Land campaign

This fall, we're continuing the Create Hope: Stand for the Land campaign. This time, we'll be meeting communities in northern Honduras who have been struggling to preserve their land and water since an iron ore mine opened in Carlos Escaleras National Park, and poisoned the rivers on which they depend for their livelihoods.

"We live every day with the fear of being killed or having one of our children taken away."

— Juana Zúniga, member of the Committee for the Defence of Common and Public Goods of Tocoa, Colón
