DEVELOPMENT & PEACE

Development and Peace — Caritas Canada invites you to join the Create Hope: [Reaping our Rights](#) campaign. See how peasant and rural communities in the Global South are uniting to ensure their rights are respected in the face of challenges such as land grabbing, resource theft and the contamination of soil, water and air by private corporations. Let's ensure that no Canadian company tramples on their rights by calling on Canada to adopt mandatory human rights and environmental due diligence legislation! To learn more about peasants' rights and due diligence, read our action sheet or visit devp.org/campaign.

FORMED.ORG

Pope John Paul II

This epic film follows Karol Wojtyla's journey from his youth in Poland through his late days on the Chair of St. Peter. It explores his life behind the scenes: how he touched millions of people, changed the face of the Church and the world, and how he defended the dignity of mankind. Jon Voight's powerful, Emmy-nominated performance as John Paul II was widely praised, as was Cary Elwes as the young Karol. Shot on location in Rome and Poland in close connection with the Vatican, this is the definitive epic film on the life of Pope John Paul II.
